Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Full Name" line to avoid backup withholding. For individuals, this is your Social Security Number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, refer to the Request for Taxpayer Identification Number and Certification available from the IRS. For other entities, it is your Employer Identification Number (EIN). If you do not have a number, please contact the Internal Revenue Service (IRS).

Note. If the account is in more than one name, refer to the Request for Taxpayer Identification Number and Certification available from the IRS.

Social Security Number or Employer Identification Number _____

Part II. Certification

Under penalties of perjury I certify that:

1. The number shown on this form is my correct tax payer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below), and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. Request for Taxpayer Identification Number and Certification available from the IRS.
